Getting started with *Fully Engaged* is easy. Simply complete the online parish profile form located at getfullyengaged.com. You will be asked to provide parish contact information along with billing and scoring preferences. Then decide if *Fully Engaged* mails the *Couple's Workbook* directly to the couple or if the parish will distribute the materials. Prices and explanations are listed below: Mar 2022

Scoring—\$12 per couple

Price includes data processing for printout and emailing results to facilitator.

Inventory Booklet—\$4 each

Two needed per parish if couple takes with pencil and paper. Not required if couples take the inventory online. Reusable. Answer sheets are downloadable at no charge.

Couple's Workbooks—\$14 per couple

Two needed per wedding (\$7 each for the bride and groom). Contains Catechetical information, reflection questions and prayers that lead the couple into deeper conversation of important topical areas.

Preview Package—\$45 each

One needed per facilitator/sponsor couple. Available in English or Bilingual (English and Spanish). Explains and guides you through the Fully Engaged process, integrating the results printout and the Couple's Workbook.

Note: For existing Facilitator Guides, the newly revised replacement pages (printed April 2022) are available at \$15 per set plus shipping and handling.

Convalidation

English Preview Package—\$12

Bilingual (English & Spanish) Preview Package—\$17

A Convalidation Inventory (designed for couples who have been civilly married) is also available. The Convalidation Inventory Booklet and Couple's Workbook mirror the premarital inventory in both price and function.

Note: The English Convalidation Facilitator's Guide pages can be inserted at the back of the premarital Facilitator's Guide. Bilingual Facilitator's Guide pages require a larger binder to accommodate all the information.

Scoring Options Summary

1. Parish pays:

If parish distributes Couple's Workbooks: Scoring and Two Couple's Workbooks—\$26 per couple.

If the parish wants Couple's Workbooks mailed to engaged couple: Scoring, Two Couple's Workbooks and shipping and handling—\$30 per couple.

Parishes are billed monthly for scoring and materials ordered. No charge to the couple.

2. Couple pays:

Scoring and Two Couple's Workbooks - \$30 per couple (additional \$4 for shipping and handling).

The parish may opt to have the couples pay for scoring and Couple's Workbooks. With this option, the couple provides their credit card information when they log-in to take the inventory on-line. *Fully Engaged* mails the couples their workbooks. With this option, the only materials the parish will need is the Facilitator's Guide.
