

SECTION 16 † BLENDED FAMILY

Opening Prayer

O God, creator of every family, be with us as we talk about the children with whom you have blessed us. Send us your Holy Spirit so that we may understand that Christ our Lord heals and redeems the stress in our families. Bless our talk today with your wisdom and guidance so that our new family may live in your peace. We ask this in the power of your Holy Spirit and through Christ our Lord.

Amen.
